Subject:- LICE for promotion to Telecom Technician Cadre under 50% departmental quota vacancies for year 2020 and 2021 – reg.

Sir,

Vide communication No.-BSNLCO-11/3(14)/1/2022-RECTT-CO, dt-02-02-2023 notification has been issued for holding the LICE in limited 15 circles where vacancies exist after abolition of posts to fix the strength. This has blocked the opportunity of aspirants of remaining circles for their promotion which should not have been the approach of the management. The Assistant Telecom Technicians and other such categories of employees are stagnating and the sole opportunity has also been taken away. These need due consideration of the appropriate authority.

Further, we are taken a back as even the decision arrived at in National Council Presided over by no less than Director (HR), has been reversed and LICE will be on "on line" instead of "off line". The National Council is highest negotiating body and decisions are taken jointly. We very strongly feel the decisions of National Council should get due respects instead of annulling the same.

We urge upon the management to have another look into the entire matter "on line" LICE as well as holding LICE in remaining circles for upgradation of the Assistant Telecom Technicians etc.

With regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
