**Subject:-** JE LICE held on 28<sup>th</sup> January, 2018 – regarding.

Respected Madam,

You may kindly recall, that in the meeting of National Council, held on 12<sup>th</sup> instant, we have pointed out the discrepancies relating to wrong answer key as well as questions of more than one correct answer. Some questions were even out of syllabus. Due to aforesaid factors the result of LICE was zero in seven circles and aggregate successful candidates was to the tune of 1.03%. This has been pathetic and alarming result. It was heartening to note that you have shown a positive gesture and agreed to do what best can be done in the matter.

We may draw your kind and pertinent attention to corporate office letter No.-37-1/2015-Rectt, dt-24-02-2016 in which it is mentioned that in the cases of wrong answer key etc. full mark will be given to the candidates. The union firmly holds the view that some questions fall in the category mentioned in para one of the letter. The unsuccessful candidates are restive over the injustice meted out to them.

Under the circumstances, we entreat upon you, to very kindly get entire matter reviewed and compensate the loss to the candidates, as per the corporate office order mentioned above.

This is in continuation of letter No.-TF-14/2(a), dt-07-05-2018.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)  
General Secretary
