**Subject:-** Creation of Multi Tasking Cadre – resolution thereon.

Respected Madam,

We wish to draw your kind attention on the issue noted above. It is stated that the staff strength in field offices has reduced to a considerable strength and difficulties are being felt in carrying out day to day activities. The matter came up for discussion in All India Conference wherein delegates from different circles narrated the difficulties. After deliberations the All India Conference has adopted a resolution. A copy of the same is enclosed for perusal and ready reference.

It will not be out of context to mention that matter was discussed earlier in one of the National Council meeting wherein Chairman agreed for creation of MTC in principle. Sufficient period has elapsed since then but no action has been taken.

We request you to please get the matter considered in correct perspective for smooth functioning of SSAs etc.

A line in reply will oblige us.

With regards,

Yours faithfully,

  
(Chandeshwar Singh)  
General Secretary
