Subject:- Extension of financial assistance to BSNL – reg.

Respected Sir,

Respectfully we wish to state the “National Federation of Telecom Employees (BSNL)” is recognized and representative union in the PSU and ventilates the grievances and problems of non-executive staff. The union has long history of positive role and approach on the matters relating to the problems faced by the company as well as staff. We have decided to approach you keeping in view of our past traditions of approach.

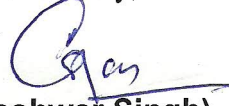

You will kindly recall that very recently Tamilnadu state has been seriously and severely affected with heavy rains and floods causing immense loss of lives and properties. The BSNL Company has also suffered to a very great extent. Despite heavy odds and financial constraints the company and its staff not only maintained the services but repaired also. People in general have applauded the services rendered by the entity and the employees during distress period when private companies were nowhere seen. The Company has maintained the services at a huge cost which require dispassionate consideration. Presently the company is in dire necessity of money for replacement of damaged materials and equipments.

We, therefore, entreat upon you to kindly consider to direct the DOT to release financial assistance to the BSNL for replacement of equipments and materials.

A line in reply will oblige us.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
