**Dated:-28-08-2015**

To,

CMD

BSNL, New Delhi.

Subject:- Expansion of Wi – Max services in BSNL – reg.

Sir,

It is reported that the expansion of Wi-Max services has been stayed as per instructions from BSNL HQR. According to available information the corporate office has desired that the existing Wi-Max connections be properly maintained instead of further expansion. We are reasonably surprised on the said development.

It is stated that there is enormous demand of new Wi-Max connection but failing to provide due to non-availability of Modules(CP). The situation in Eastern UP circle may be cited as an example. Sequel to representation few hundred modules (CP) were supplied which proved inadequate commensurate with the demand of subscribers. We are sure such condition must be existing in other circles also.

Kindly, therefore, take remedial action in the matter if at all BSNL HQR is interested for expansion of the services.

Yours faithfully,

**(Chandeshwar Singh)**
