Subject:- Growth of BB in Andhra Telecom circle.

Sir,

On 8th instant the esteemed President of the union met you on the subject cited above.

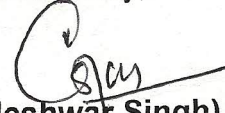

It is stated that the expansion of BB is not possible in rural areas as we have no OFC connectivity. The laying of OFC cable is not possible to attract the customers. NOFA work has also not been allotted to BSNL and both the states i.e. Andhra and Telengana have kept with themselves. However, all the villages are covered with cable TV connections with OFC. The BB and Wi-Fi connections can be provided by taking lines on lease.

Our president has long discussions with the PGM, Shri Narendar, at Warangal who suggested above and has asserted that the proposal can be experimented on pilot basis. He has strongly maintained that wonders can be achieved.

Therefore, we urge upon you to please get the proposal experimented at Warangal for growth of BB and Wi-Fi services.

Thanking you,

Yours faithfully,

(Chandeshwar Singh)
General Secretary
