**Subject:-** Hardships to employees on promotion from Lineman scale to Telecom Mechanic Cadre – reg.

Madam,

It is stated that the qualified and trained RMs for appointment to Cadre of Telecom Mechanic were granted Lineman scale (CDA 2750) in lieu of promotion to the Cadre of Telecom Mechanic as per orders of DOT. This scale was extended as vacancies were not available in TM Cadre, such officials who are in the scale of Lineman as and when promoted to TM Cadre are reverted to substantive post i.e. RM causing financial recoveries. According to information these lineman scale officials are facing huge recoveries due to reversion to substantive Cadre. It may be noted that such officials have performed higher responsibilities as and when placed on lineman scale.

Kindly get the matter considered to absolve the employees from recoveries.

Yours faithfully,

  
(Chandeshwar Singh)  
General Secretary
