

Evil Attempts defeated

Frustrated elements after Patna conference conspired to prevent the publication of Telecom and Tel labour. Former Secy General of NFTE never appeared before Delhi police commissioner, for change of name of Editor and Printer publisher. The HQr continued posting and incurred heavy expenditures as Postal concession was withdrawn.

Finally HQr has succeeded and the name of Editor etc. is changed and evil designs of disgruntled elements defeated. All Branches will now get the Journals. The 'Telecom' will be dispatched on 3-1-2012 on concessional rate.
