

Pension Contribution and revision of Pension

The BSNLWA headed by NFTE BSNL in the meeting with Director (HR) on 12th December pointed out that the BSNL HQr has acted beyond its power to fix the pension contribution. This will result in complications and the pension of retiring employees will not be settled by CCAS (DoT cell) due to less payment. Director (HR) agreed to our submission and accordingly BSNL Letter No.500-57 / 2011-12 / BSNL / CAI / Vol IV dated 14-12-2011 issued.
