Subject:- Review of weightage point system in compassionate ground appointment – reg.

Dear Madam,

Kindly recall the discussions in the National council meeting held on 16th October.

We have stated in the said meeting that there is necessity of review of weight point system in CGA as cases are being rejected if the sons/daughters of the deceased employees have applied for the Job. Similarly weightage mark is reduced to zero in case deceased employees have their own house we have also demanded that the CGA cases owing to accidental death during duty should be considered on overriding priority basis.

We request you to get the weightage point system reviewed at the earliest.

Yours faithfully,

(Chandeshwar Singh)
General Secretary
