**Subject:-** Upgradation of Mobile App for marking attendance online – reg.

Respected Sir,

It is stated that orders have been issued by the BSNL HQR to the effect that the non-executive employees have to mark their attendance by the Android. The system has been upgraded for face recognition as well. The orders have been made mandatory for all category of employees. It is submitted that all the non-executive staff are supervised by the executives and their presence can be checked and verified by them. It is added that all such staff are not skilled and have not been trained also by the department. It is further submitted that all low paid employees don't have Androids and require financial help akin to the executives. The neglect and discrimination in this respect are not in good taste.

We, therefore, again urge upon you to please consider the salient points raised above in the interest of harmonious relation. In the meantime non-executives may be exempted for marking the attendance by the Android upgraded system.

This is in continuation of our letter dt-15-07-2025.

With deep regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
